

LATE RENT

- Effective December 1st, 2010 a late rent charge of \$25.00 will be added to any rent paid after the first day of the month.
- Cheques or automatic withdrawals (PAD's) returned or not completed will be subject to a \$25.00 administration fee.
- The late rent fee and administration fee will be considered part of the rent for the next month. Failure to pay the fee (now outstanding rent) by the first of the following month will be considered late rent and subject to a late rent fee.
- Failure to pay all outstanding fees by the first day of the third month will be grounds for GVHS to issue a 10 day Notice to End for failure to pay rent.
- The fees may be adjusted as the fees charged by the Banks change.
