

Subsidized Rent Payments During Covid-19 Pandemic

March 26, 2020

GVHS recognizes that employment income may have stopped or decreased due to Covid-19.

If your employment income has been affected, please contact us at info@greatervichousing.org

If your rent comes out of your bank automatically and you do not have enough in your bank account for April's rent, please contact us **immediately** so we can stop the withdrawal to avoid NSF fees.

If you do not have email, please call Yvonne at 250-384-3434 extension 35 and leave a message with your name and phone number.

GVHS is following the recommendations of our Health Authority for social distancing so staff members may be working remotely. We ask for your patience as we may not be at our desks to answer your phone calls right away.

If your income has not changed, you are expected to pay your full rent as usual.

The Federal Government is working on putting supports in place for all Canadians affected by Covid-19. Information on Canadian Government programs can be found here: www.canada.ca
