## GVHS 65TH ANNIVERSARY CONTEST!

### Calling All Tenants!

As you may have noticed from the posters in every lobby, GVHS is celebrating our 65th anniversary this year!

Back in 1956, a small group of people had a vision to provide affordable housing for seniors. We started then with just 26 homes, and, 65 incredible years later, we've just opened our 16th building, and provide over 900 homes! One thing will never change: we're always honoured to help our community.

Help us to celebrate everything that makes GVHS great by sharing your memories: a **note**, a **story**, **photo**, or **artwork**—and help us tell the story of our first 65 years.

**What does GVHS mean to you today?**

**What should we be celebrating most in this special anniversary year?**

We want to hear your stories. Entries have a chance to win **1 of 15 Buy Local \$50 gift cards!** Enter now at:

**FEATURED ARTIST:  
LYNNE R.**

Lynne R. is a GVHS tenant who's been drawing and painting avidly since a big life event 10 years ago caused her to consider what she really wanted for herself. She has always had a creative spirit, and her passion for visual mediums was first sparked as a young teenager, when her father gave her a paint-by-numbers of The Last Supper. "It couldn't have been something simple," she chuckles. "I spent so much time and attention on that painting, and just loved it." Lynne was nominated for this profile by GVHS staff, who were blown away upon being shown some of her work.

**GVHS:** Lynne, thanks so much for agreeing to be our Featured Artist. You have such an eye for colour and composition. What are your inspirations?

**LR:** I'm particularly inspired by nature, specifically the hearts of flowers. I zoom my camera deep into the centre of a flower until it fills the whole image.

**GVHS:** How has art helped you in the last few years?

**LR:** When COVID hit, I got through the isolation by buying a bike, and going out to find something new to paint or take pictures of every day. I posted the pictures for family and friends, who forwarded them to others, and the commissions have been steadily trickling in ever since.

**GVHS:** Amazing. Any words of wisdom for a beginning artist?

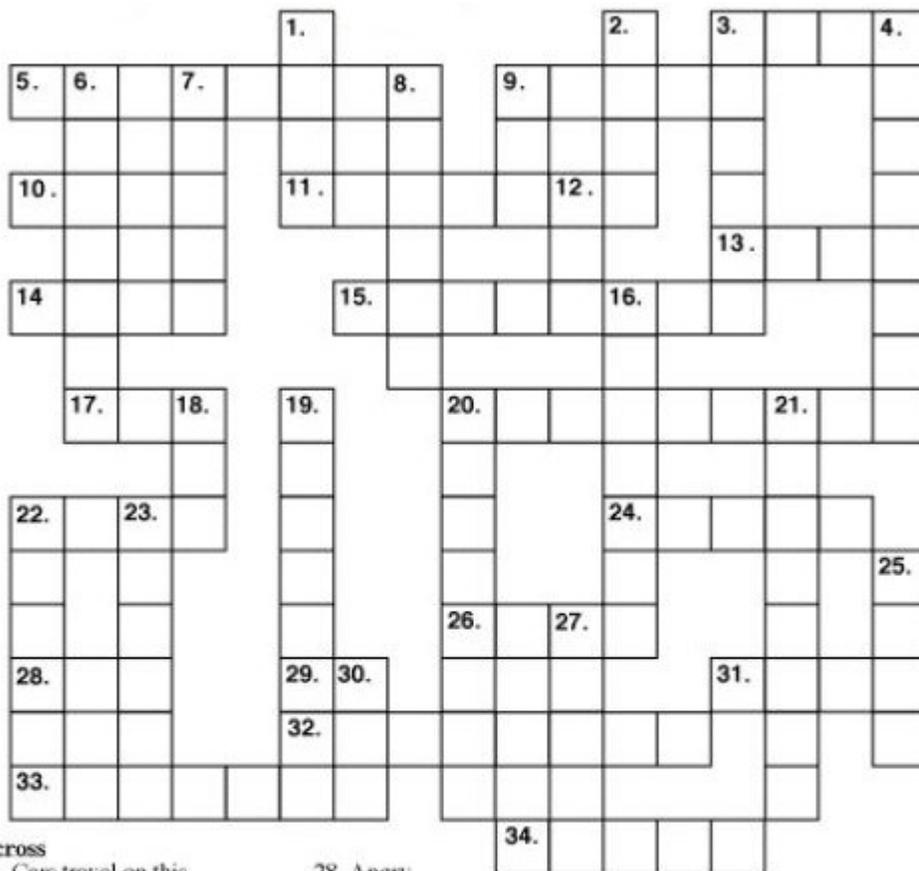

**LR:** Anyone can do it if they have fun trying. I just use a little Canon camera for photos, and acrylic for painting. My creative pursuits give meaning to every single day.

Want to get in touch with Lynne about her art? Do you know an artist whose work and story would be inspiring to others?
